

**A GLANCE OF THE CARD WINDING WORKSHOP 2011
ATQ CONVENTION
LAVAL**

Following the workshop on card winding held at the ATQ in June 2011, you are invited to participate in an exhibition of card winding to be presented at the convention of the ATQ in June 2012. All members of the ATQ can participate, you will find a report of the workshop in the fall edition of *Au Fil du Temps...*

To participate in this exhibition, you can take advantage of the preparation of a new individual or group project. Or use your samples for the research group or one of card winding prepared for the contest for the 2012 convention for a differential shrinkage scarf.

For each project you are invited to present:

- A card winding of fibers prepared on a solid cardboard in black, white or gray
Dimensions: 1.5 inches (4 centimeters) in height
8 inches (20 centimeters) in width max
- A color photograph of your inspiration
- A black and white photo (or a photocopy) of the inspiration
- A black and white photo (or a photocopy) of your card winding
- A photo of the completed project (if need be).

Each of the photographs or photocopies must be clearly identified on the back:

- ⇒ Project Title
- ⇒ Name of author
- ⇒ E-mail and postal addresses
- ⇒ Phone number

All placed in an envelope clearly identified that you will bring to the convention.

If you cannot attend the convention, place all the items in an envelope clearly identified accompanied by a stamped return envelope pre-addressed and stamped and you send the information by mail.

Feel free to create a photo montage of all your photos.

You will find in the winter 2012 edition of *Au Fil du Temps...* a reminder of this activity with the latest information.

I'll be available to answer your questions at any time.

Looking forward to seeing your projects and your card winding, have a great weaving year.
